NEWSLETTER No.51 - AUGUST 2017

EDITOR'S COMMENTS

Where does time go!! Here's the August Newsletter and apologies that there's not been one since April.

The Wealden League season is well and truly over now and the Club's AGM was held in June.

Whilst on holiday - if you're going - see if you can find an outside table tennis table to play on if it's not too windy. I'm off to Broadstairs soon and there's one on the beach!

Enjoy the rest of the Summer, if it ever comes back!

WEALDEN LEAGUE

As previously reported, our 'A' & 'B' teams did finish Top and Second respectively in the League in the 2016/17 season. So another successful year and well done to all the players.

On the down side, the decision has been taken to close the Wealden League mainly due to lack of support and difficulty in filling the various roles on the Management Committee.

However, I'm pleased to say that the Club will transfer to playing in the East Grinstead League, which will give the opportunity to play against some different players.

CLUB NIGHTS

These continue at the present time at the Jarvis Brook Hall although recently attendance has, unfortunately, been very low.

So if you fancy a 'knock' why not go down to the Club on Friday nights between 8 and 10 pm.

ANNUAL CLUB TOURNAMENT

It was mentioned previously that this would take place in September this year with a provisional date of the 15th mentioned.

At the moment the Committee has put this 'on hold' and as soon as a decision is made, more detail will be circulated.

SUBSCRIPTIONS

Subscriptions for 2017/18 are now due and, at the AGM, it was agreed the fees would remain the same as last year.

League Player subs are £90, Social Members £35. It would be appreciated if these could be sent to Phil Wilmowski or myself as soon as convenient. Thanks.
